

Dear Neighbour,

2017 was an important year for Greenwich Millennium Village (GMV). We welcomed new residents to their new homes at Hugero Point, Bayliss Heights and Coneybear Point. Construction commenced on the new homes at Plots 101 and 102 and planning approval was granted for the combined heat and power energy centre (Plot 504), as well as two further residential Plots (204 and 205) containing 20% affordable housing.

When completed, the approved 2012 masterplan will deliver over 1,700 new homes alongside shops, commercial space, play spaces and public squares, a nursery, a community centre, and ecological enhancements such as an ecology swale and both green and brown roofs.

In February 2017, Greenwich Millennium Village Ltd (GMVL) hosted a public exhibition to share Reserved Matters proposals for a 20-storey residential building at Plot 201 of the masterplan. We would like to thank all those who attended and provided comments.

We have taken the time since the public exhibition to review all of the feedback and have subsequently revised our proposals. We would now like to invite you to a public exhibition to share our new proposals for Plot 201, as well as the emerging plans for residential Plots 302, 303 and 304 of the Greenwich Millennium Village Masterplan.

Your invitation to our public exhibition Revised proposals for Plot 201

What?

The exhibition will enable you to view and comment on the details of our revised proposals for Plot 201 in advance of a Reserved Matters application being made to the Royal Borough of Greenwich. Members of the project team will be on hand to answer any questions you have.

Where?

The River Rooms
Greenwich Yacht Club
1 Peartree Way
Greenwich, SE10 0BW

When?

Tuesday 6th February 2018 | 4pm - 8pm
Thursday 8th February 2018 | 4pm - 8pm

Please see details overleaf for how to find the chosen venue

Further information

After the exhibition all the information, as well as a link to our questionnaire, will be made available on our website: www.gmv.london.
